Our preschool program is a unique program in many ways. It is specifically planned for children two, three, and four years of age as they learn through creative, hands-on activities. Our three and four year olds work to grow a relationship with God through the Catechesis of the Good Shepherd program. We foster social skills and independence in small class sizes.

Orientation will be August 13, 2026
Please bring all school supplies at this time.

The school year will begin August 20 and will be held **9:00 am - 2:00 pm on Tuesdays, Wednesdays, and Thursdays**. All children need to be in attendance in their classroom before 9:00 AM.

We believe that each child is very special and should be treated as such. Each child's total development includes spiritual, academic, emotional, social, & physical growth. We believe that a child should be provided an opportunity to develop in each of these areas at his/her own pace. We strive to offer a positive atmosphere full of love, nurturing, and security. The trust extended to us by parents is never taken lightly. To ensure your child grows in all areas we will form a "team" of three; the child, the parents, and the preschool staff. We will constantly strive to make this a pleasant, enjoyable, and positive experience for you and your child.

Our program is designed to give each child a loving Christian environment in which to grow and learn about God's world around him/her through art, music, and play. In art we will grow their creativity by working with paints, play dough, crayons and a variety of other materials. Our activities will be adapted to the age capabilities of each child. All areas of social interaction offer each child the opportunity to learn how to share, take turns, and play respectfully with other children.

The three- and four-year-old classes are given the opportunity to engage in the Catechesis of the Good Shepherd. This is a Montessori based Catholic faith formation program designed for children to grow closer to God through hands-on activities and contemplation.

Academically, we challenge our children with the Experience Curriculum. This curriculum is developmentally based and has proven to be an engaging and interactive tool. Our program is an organization of St. Anne Catholic Church and is run under the rules and guidelines of the Church.

Withdrawal notice from our program should be given 2 weeks in advance so children on the waiting list can be notified in a timely fashion. You are responsible for any tuition unpaid. No tuition refunds are given if your child leaves the program.

Tuition will not be reimbursed for sickness, inclement weather, and unforeseen emergencies of any kind. Please notify the director or teacher via the Brightwheel app if your child will be absent from school. Please notify us of any contagious illness your child may contract.

POTTY TRAINING

As a team, we will work to train your two-year-old child when they are ready. Children are required to bring diapers (rather than Pull-Ups) if they are not yet fully trained. Over the years, staff has found this to be the most efficient. **ALL CHILDREN IN THREE- AND FOUR-YEAR-OLD CLASSES MUST BE FULLY TRAINED PRIOR TO ATTENDING.**

SCHOOL CLOSURES

We will observe the same early dismissal or closure as Lafayette Parish Schools. Should bad weather be experienced or any unforeseen emergencies arise, you will be notified. These public school announcements are made on the news, radio, & social media. You will also receive a Brightwheel notification from the preschool director or classroom teacher.

***Any closures due to bad weather or any unforeseen emergency will not be made up or credited to your tuition.**

HEALTH REGULATIONS

Children with illness should not be mixed with others. **To protect the health of our preschool, any child experiencing the following symptoms within 24 hours of attending school must remain home.** Please make the staff aware of such issues.

Symptoms include:

1. Temperature over 99 degrees without meds
2. Upset stomach, nausea and/or diarrhea
3. Nasal or eye discharge (yellow or greenish in color or crusted eye) which indicates infection
4. Sore throat or consistent cough or croup
5. Undiagnosed rash or bumps

We reserve the right to send a child home when we feel necessary for the protection of others. It is a requirement that the director get a current copy of your child's immunization record, if one is not on file already. Our staff cannot administer medications. If your child has to be given medication during school hours, a parent may come to St. Anne Preschool to administer the medication.

*It is always important to make your child's teacher aware of any medicines your child is taking at all times. This could play a part in their mood and behavior.

DISCIPLINE

At St. Anne Preschool we use a loving and positive approach to discipline. Good behavior will always be rewarded with kind words and praise. Unacceptable behavior sometimes requires that a child be removed from the group activities. It may be necessary to notify the parent if help is needed to correct behavior that is inappropriate. We have the right to refuse a child from our program who demonstrates inappropriate behavior or strong aggressive behavior. The safety of our staff and children is our first concern. Any remaining monthly tuition is not reimbursed in this case.

SNACK

A snack will be provided for your child daily. Please make sure all allergy information is updated.

LUNCH

Children are required to bring lunch each day. Parents are responsible for the food preparation and safe temperature storage of their child's lunch. We will not be able to heat lunches. As our goal is always to foster independence and making good choices, please keep this in mind when deciding what to send with your child. **All food sensitivity & allergies must be documented.**

MORNING DROP OFF

Parents are asked to pull into the church office parking lot from Church Street and wait for a staff member to greet your child, then continuing on to exit into the street. Please use all safety precautions; be mindful of church parishioners and guests who may also be using the parking lot. **DO NOT LEAVE** children unattended.

Drop-off begins at 8:50. A teacher will take child out of the car seat. Please do not walk your child inside. It is our job to ensure that your child feels comfortable and safe in their new environment. Experience from years past has proven that the best approach for parents to take when dropping off their child is to reassure him/her you will be back later to pick them up and let the teacher comfort them. We know it is difficult to leave when your child is upset; you can call anytime to check on them. Do take comfort that we will call you if your child remains upset for a long period of time. All parent cooperation is greatly appreciated in this matter.

PICKUP AND PARKING

Pickup begins at 1:45. For safety reasons, we require a written permission slip or phone call if anyone other than names listed on registration form is picking up your child. Please pick up your child by 2:00. Late fees will be charged after the 2nd notice. **A late fee of \$20 for the first 10 min and \$5 per every 5 min after that (per child)** will be assessed. This excludes emergencies of which we have been notified.

Parents- Always keep us informed of any changes of any home, work or cell phone numbers. In case of sickness or an emergency while your child is in the care of our preschool, we may need to call promptly.

******NO PICKUP is allowed during quiet/naptime hours. (12:00-1:30pm)**

If you have appointments, please arrange to pick up child either before or after naptime. This will prevent any distractions or disruptions to the class during this time. Thanks for your cooperation. If an emergency arises and pickup is necessary during this time frame, please contact the director.

PHOTOS

We take photographs periodically of all children in our program and send to parents. Some photos are also placed on the church secured website at (www.stannechurch.net) and the St. Anne Facebook page. You may opt out of these postings via our Photo Release form.

DRESS CODE

To assist with independence, please dress your child in clothing easily manipulated by your child. Help us minimize injuries by having your children wear shoes that are appropriate for playing and running. We appreciate your cooperation on this safety issue. Girls must wear shorts under dresses and skirts. A complete change of clothes placed in a large Ziploc bag is required and will be used when needed. Please be sure to send ample diapers if applicable. Children that are three or older need to have an extra pair of undies included in their Ziploc. **Please remember to put your child's name on all personal items sent to St. Anne Preschool.**

Please reach out to us with questions you may have.
We will keep your family in our prayers!
